

**Prince Edward Island Rugby Union - Concussion
Policy**
Version 1.1 - December 15, 2019

This policy is meant to guide players in managing concussions and returning to play.

All on-field activities under the jurisdiction of the PEI Rugby Union must comply with World Rugby's concussion guidance policy.

Suspected incidents of non-compliance with the above policy must be referred to the PEI Rugby Union for follow-up and possible compliance action.

All players, coaches, match officials, administrators, medical personnel, parents, as well as anyone else involved in the game of rugby on Prince Edward Island but not listed above are strongly encouraged to educate themselves on the above-referenced World Rugby concussion guidance policy and the graduated return to play program.

Details of the World Rugby Concussion Management and Return to Play guidelines are found here: <http://playerwelfare.worldrugby.org/concussion>.
